Ooh...do-do-do-oooh-oooh-do-doo-oooh-oooh
A love song of the waterfall, ooh-oooh
I hear through virgin timberty-o-op
The love song of a waterfall, ooh-oooh
And there in May rose through the tree-ee-ees
A love song born upon the breeze, ooh-oooh
Plunging over rugged rocks
Hear the water slide
Bound to be where-ere you are
Dear ones, here am I
This is heaven's mating ca-all
A love song of the waterfall, ooh-oooh
Ooh...do-do-do-oooh-oooh-do-doo-oooh-oooh
A love song of the waterfall, ooh-oooh
Ooh...do-do-do-oooh-oooh-do-doo-oooh-oooh
A love song of the waterfall
Ooh...do-do-do-oooh-oooh-do-doo-oooh-oooh
Ooh-oooh [fade]
