Darlin', I am growin' older, mmm  
Silver threads among the go-old  
Shine upon my brow today-ay-ay, mmm  
Life is fading fast away-ay  
But, my darlin', you will be as you will be  
Always young and fair to me  
Yes, my darlin', you-ou will be-ee-ee  
Always young and fair to me-ee  
When your hair is silver whi-ite  
And your cheeks' no longer bright  
With the roses of the May-ay, mmm  
I will kiss your lips and say-ay  
Oh my darlin', you will be, you will be  
Always young and fair to me...  
Yes, my darlin', you-ou will be-ee-ee  
Always young and fair to-oo me...
