You belong to my heart
Now and forever
And our love had its start
Not long ago

We were gathering stars
While a million guitars
Played our love song
When I said "I love you"
Every beat of my heart said it, too

Tw'as a moment like this
Do you remember?
And your eyes threw a kiss
When they met mine

Now we own all the stars
Aand a million guitars
Are still playing
Darling, you are the song
And you'll always belong to my heart

Tw'as a moment like this
Do you remember?
And your eyes threw a kiss
When they met mine

Now we own all the stars
Aand a million guitars
Are still playing
Darling, you are the song
And you'll always belong to my hear
