Sitting here thinking about you
And all the things we used to do
I'd never thought that I would lose you
Cuz you were always my boo
Sitting wondering where we wondering we went wrong
Cuz now i'm here all alone wishing you would come
back home
so tell me....

chorus (2+): Why why why you had to go away got me
missin' you everyday
Why why why you had to go away got me missin'
everyday(everyday I'm missin' you)

I don't understand why you left
Baby what didn't I do
Wasn't I always there for you
And wasn't I good to you
How was i to know something was wrong
Baby I can't remise all you had to do was tell me
But you kept it all inside

Chorus 2+

Girl i'll never another, another one to take you place
Cuz you was so,so good to me baby and you kept a
smile up on my face
And i'm on my bending knees
And I'm crying, crying why don't you come to me
Cuz you mean the world to me

Chours 2+

I was so in love with you baby
yeah But you broke my heart into little bittie pieces

what am I suppose to do living my life without you
My heart MY SOUL MY ONE AND ONLY TRUE LOVE
OHHHHHH OHHHHHHHHH WAIT ONE MINUTE I THINK I
WANT TO SAY IT AGAIN OOOHHHHHHHHH
