I'm standing on a bridge
I'm waiting in the dark I thought that you'd be here by
now
there's nothing but the rain no footsteps on the ground
I'm listening but there's no sound

Isn't anyone trying to find me
Won't somebody come take me home

CHOURS

It's a damn cold night
Trying to figure out this light won't
you take me by the hand take me
somewhere new I don't know
who you are but I'm with you

I'm looking for a place
I'm searching for a face
Is anybody here I know
Cause noting's going right and
everythings a mess and no-one
likes to be alone, Isn't anyone trying to find
me won't somebody come take me home

CHOURS

It's a damn cold night
Trying to figure out this light won't
you take me by the hand take me
somewhere new I don't know
who you are but I'm with you
I'm with you

Why is everything so confusing
Maybe I'm just out of my mind
YEAHYEAH YEAHYEAH YEAHYEAH YEAHYEAH YEAH

CHOURS

It's a damn cold night
Trying to figure out this light won't
you take me by the hand take me
somewhere new I don't know
who you are but I'm with you
I'm with you
