The way I wanna knock you

Girl, you got just what I need
Bring it here to me
You can stand in front of me
Or get on top of me
'Coz I'm gonna do to you
What's never been done to you
Gonna give my all to you

It just ain't right
How bad I wanna knock you down
All night, ridin' me up an' down
It feels so tight
The way you squeeze it, girl
Just ain't right, all night, so tight

Lay right there an' close your eyes
Tell me what you like
Anything you want from me
You're gonna get it tonight
Don't be scared to let it go
Baby, let it flow
Girl, I want ya so bad

It just ain't right
How bad I wanna knock you down
All night, ridin' me up an' down
It feels so tight
The way you squeeze it, girl
Just ain't right, all night, so tight

It just ain't right
How bad I wanna knock you down
All night, ridin' me up an' down
It feels so tight
The way you squeeze it, girl
Just ain't right, all night, so tight

Baby, I promise
When our bodies touch
Baby, what you want?

You see what you like
Just let me know
I'm gonna give it all to you
Say, ?Yes?, if you feel it too

Baby, I promise
I want you to feel me inside of you
I would never let your body go
I'm gonna give it all to you
Girl, I really wanna knock you

It just ain't right
How bad I wanna knock you down
All night, ridin' me up an' down
It feels so tight
The way you squeeze it, girl
Just ain't right, all night, so tight

It just ain't right
How bad I wanna knock you down
All night, ridin' me up an' down
It feels so tight
The way you squeeze it, girl
Just ain't right, all night, so tight

It just ain't right
How bad I wanna knock you down
All night, ridin' me up an' down
It feels so tight
The way you squeeze it, girl
Just ain't right, all night, so tight

It just ain't right
Girl, I really wanna knock you, baby
Just ain't right, it ain't right
The way I wanna knock you
The way I wanna knock you
