Tell me, who's gonna look at you
And love you for the person you are
Tell me, who's gonna understand
That sometimes you can take things too far

Tell me, who's gonna be there when
Times are good and when they are bad
Tell me, who's gonna love you girl
The way I loved you

Tell me, who's gonna be right there
To wipe your tears whenever you cry
Tell me, who's gonna talk it out
To make sure everything is alright

Tell me, who's gonna call you on the telephone
When you're all alone
Tell me, who's gonna love you girl

Ain't nobody gonna do the things I did
Ain't nobody gonna kiss the way I kiss
Ain't nobody gonna spend the way I spend
Ain't nobody gonna love you like I did

Ain't nobody gonna be the fool for you
Ain't nobody gonna open the doors for you
Ain't nobody's goin' through what I went through
Ain't nobody gonna love you, love you like I did

Anytime you needed a friend
Girl, I was right there for you
Anytime you needed love
And you could call on me for that too

There is nothing, nothing that I wouldn't do for you
Tell me, who's gonna love you, girl
The way I loved you

Everything you've always wanted
Girl, you know I gave it to you
Never had to worry 'cause you knew
I would take care of you

And you may find, another man
But can't nobody love you
The way that I loved you, no, no, no

Ain't nobody gonna do the things I did
Ain't nobody gonna kiss the way I kiss
Ain't nobody gonna spend the way I spend
Ain't nobody gonna love you like I did

Ain't nobody gonna be the fool for you
Ain't nobody gonna open the doors for you
Ain't nobody's goin' through what I went through
Ain't nobody gonna love you, love you like I did

How could you do it? You did me wrong
You broke my heart and how could you leave me?
Leave me by myself, girl, I did everything for you, no
oh
To love you the way that I did
Girl nobody, nobody will love you just like me

Ain't nobody gonna do the things I did
Ain't nobody gonna kiss the way I kiss
Ain't nobody gonna spend the way I spend
Ain't nobody gonna love you like I did

Ain't nobody gonna be the fool for you
Ain't nobody gonna open the doors for you
Ain't nobody's goin' through what I went through
Ain't nobody gonna love you, love you like I did

Ain't nobody gonna do the things I did
Ain't nobody gonna kiss the way I kiss
Ain't nobody gonna spend the way I spend
Ain't nobody gonna love you like I did
