[VERSE 1]

Opened my eyes then i turned over
I saw your booty through the covers
And i placed my hand on your thighs
And started to grind from behide
You arched your back then pulled me closer
I started biting on your shoulder
I slipped inbetween your legs
If your feeling me put your hands on my head

[CHORUS 1]

(don't worry) don't worry about makeup
Coz you don't need it
Don't worry about your hair
Coz we about to sweat it out
Don't think about your hair girl
And we're abotu to work it up
Ohhhh and now baby can i taste it
(baby can i taste it)
Right now
So i can get it ready
(so i can get it ready)
Kiss me baby touch it
And we can start a morning show
Ohhhh
(your sex is like a habit)
Girl your sex is like a habit
When i wake up i gotta have it (gotta have it)
Girl im so excited (wohhh ohh)
So lets make it a morning show..

[VERSE 2]

When you think the show's over
Your bodys screaming for an encore
And im willing to get back in
And then your gonna fall again
I hear you breathing heavier now
Keep on telling me "please don't stop now"
I remember going deeper inside

Girl i love to see you lose your mind
