Never mind that he don't love you  
Never mind that he don't care  
I'll give you love the way you want it  
Say, it's alright and I'll be there

Should've known it when I saw you, baby  
Should've never let him call you, baby  
No matter how I try, no longer can I hide  
The way I feel that's why I'm asking you

Never mind that he don't love you  
Never mind that he don't care  
I'll give you love the way you want it  
Say, it's alright and I'll be there

Girl, I have places I want you to be  
And so many things I want you to see  
If you'd only put your trust in me  
Baby, I'll show you love

Oh baby, I wanna put a smile upon your face  
Oh lady say, yes and I'll be where you are  
[Incomprehensible]

Never mind that he don't love you  
Never mind that he don't care  
I'll give you love the way you want it  
Say, it's alright and I'll be there

Oh baby, I wanna put a smile upon your face  
Oh lady say, yes and I'll be where you are  
[Incomprehensible]

Never mind that he don't love you  
Never mind that he don't care  
I'll give you love the way you want it  
Say, it's alright and I'll be there

Never mind that he don't love you  
Never mind that he don't care  
I'll give you love the way you want it  
Say, it's alright and I

Oh baby, I wanna put a smile upon your face  
Oh lady say, yes and I'll be where you are  
[Incomprehensible]

Never mind that he don't love you  
Never mind that he don't care  
I'll give you love the way you want it  
Say, it's alright and I'll be there

Never mind that he don't love you  
Never mind that he don't care  
I'll give you love the way you want it  
Say, it's alright and I'll be there
