treat you a lot better..ooh (112) be right here for you  
Whenever you need me, Im right right here for you

Verse 1

Listen, Baby you don't have to cry  
So why wont you wipe your tears from your eyes  
Girl, I need for you to see  
With me is where you know you need to be  
Whatever it is..girl don't hesitate to call on me  
You don't have to worry bout a thing  
Coz I'll be right here waiting for you

[Chorus]

And whatever he wont do..I'll do (I'll do it for you baby)  
Whatever you need, I'll give to you (I'll give to you  
baby)  
Whenever you cry, I'll cry with you  
Baby just call on me and I will be right there...  
(Right there for you)

Verse 2

Whenever you think of me  
Know that I'm thinking of you  
And how can I get you to see  
That you somewhere you aint suppose to be  
Just give me one chance  
To prove to you, Imma better man  
Never break apart..you'll always be my heart..whatever  
he wont do..

You know I'll do it for you

[Chorus]

Whatever he wont do, I'll do (Baby whatever just tell  
me)  
Whatever you need, I'll give to you (I will give to you)  
Whenever you cry, I'll cry with you (I'll do it girl)  
Baby just call on me and I will be right there for you  
(right here for you)

Refrain:

I'll do things for you, that your man wont do  
I'll prove my love to you..Girl, I'll die for you  
I'll hold you tight..all through the night  
To let you know it'll be alright

You are my world..please be my girl (say you'd be my  
girl)  
I promise you..our love is true,  
I'll make love to you..I'll take care of you  
Girl Im gonna show you that I'm right here for  
you...Baby

Repeat Chorus 2x till it fades...
