## "Slip Away"

Visit "[Slip Away](#)" on MotoLyrics.com

Baby, I wish you had recognized the love I had for you  
When it was in my heart and when it was there for you  
Because now, you're coming back to me  
And you recognize the love that was once there  
But I found somebody else, it's too late, I'm sorry

You should have known that I loved you  
You should have seen it in my eyes  
Should have allowed yourself to  
Believe in love and recognize

That my love, it wasn't going nowhere  
No one but you was in my heart  
And I can't believe that you would  
Push your love aside

Baby it's too bad  
You missed out on me  
And it's so sad  
Sad that you're gone away

And I'm sorry  
You missed out on me  
But it's too late  
You let love slip away

And you should have known that I was open  
You should have seen it in my smile  
Should have allowed yourself to  
Be adult, instead of a child

But you are the one with insecurities  
You tried to put the blame on me  
You never knew that my love was  
Really here to stay

And now it is just too bad  
You missed out on me  
And it's so sad  
Sad that you're gone away

And I'm sorry

You missed out on me  
But it's too late  
You let love slip away

Baby how could you let our love fade away?  
When you never knew I cared for you and baby I loved  
you  
And you never, gave me your everything  
This love was not for you

And baby it's too bad  
You missed out on me  
And it's so sad  
Sad that you're gone away

And I'm sorry  
You missed out on me  
But it's too late  
You let love slip away

Baby it's too bad  
You missed out on me  
And it's so sad  
Sad that you're gone away

And I'm sorry  
You missed out on me  
But it's too late  
You let love slip away  
Baby it's too bad

You should have known that I loved you  
You should have seen it in my eyes  
So sorry

You should have known that I was open  
You should have seen it in my smile  
So sorry, but

Baby it's too bad  
You missed out on me  
And it's so sad  
Sad that you're gone away

And I'm sorry  
You missed out on me
