Me and 112 we off in the club
Representing A-T-L in the club
Hollaing at every girl off in the club
Shorty gonna be with me when I dip from the club

Can you handle my stick for me?
Keep it movin' while you kissin' on me
Girl, you're makin' me so ready
When we hit the door, put it on me

We can bounce from the club, back to my car, to my
crib we go
Skip the couch, head up the stairs, to my room we go
Go, oh, oh, my room we go
Go, come on, my room we go

What you really wanna do tonight
'Cause it's way too hot in the club tonight?
We can start it in the parking lot
'Cause it's all about you, tell me what you like, come on

Can you handle my stick for me?
Keep it movin' while you kissin' on me
Girl, you're makin' me so ready
When we hit the door, put it on me

We can bounce from the club, back to my car, to my
crib we go
Skip the couch, head up the stairs, to my room we go
Go, oh, oh, my room we go
Go, come on, my room we go

We can bounce from the club, back to my car, to my
crib we go
Skip the couch, head up the stairs, to my room we go
Go, oh, oh, my room we go
Go, come on, my room we go

When we get to your room, tell me what you gonna do?
I've gotta turn you on, so tell me what you gonna do?
Stop talkin', wastin' time, tell me what you gonna do?
My drop tops in the parking lot, so tell me what you

gonna do?

We can bounce from the club, back to my car, to my
crib we go
Skip the couch, head up the stairs, to my room we go
Go, oh, my room we go
Go, come on, my room we go

We can bounce from the club, back to my car, to my
crib we go
Skip the couch, head up the stairs, to my room we go
Go, oh, oh, my room we go
Go, come on, my room we go

112 is rocking this
Q, Mike, Slim, Daron
112 is rocking this
112 is untouchable
Guess, who's back?
Ain't nobody touching us
