I would walk, I would walk  
I would walk a thousand miles  
If I knew that you would be waitin'  
On the other side

I would climb, I would climb  
I would climb the highest mountain  
If you would fulfill the promise  
To be mine, oh, mine

I would swim, the seven seas  
If we could sit down an' talk about us  
An' agree to agree

I would walk without water  
Across a desert sand to hear you say  
You're ready to be in love again

People are talkin', tryin' to pull us apart  
They can't see the love in our hearts  
Girl, I care about you and you care about me  
And if we believe in each other

We goin' be alright  
We goin' be alright  
We goin' be alright  
If we believe in each other

We goin' be alright  
We goin' be alright  
We goin' be alright  
If we believe in each other
