Tsk, why you gotta act like that?

When I say that I love you
You ask me what I want?
When I try to care for you, woho, ho
You say I'm tryin' to front

When I'm tryin' to listen to you, oh baby
You take it as a joke
And when I try to give you good advice, yeah, yeah
You swear that I don't know

So what the hell do you want? Uhn, baby?
What the hell do you want, from me?
What the hell do you want? I need to know
What the hell do you want, baby?

What the hell do you want from me? Yeah, oh, yeah
Uh, yeah, baby, tell me?
What the hell do you want from me? Yeah
Listen here, baby, I need to know right know, tell me
how?

When I try to make love to you, oh, yeah, yeah, yeah,
yeah
You tell me not tonight
And when I wanna touch you, oh, ho, baby, yeah
You say that now is not the time

And when I wanna hold you, oh, ouh
You tell me you need space
But you just said I wasn't affectionate enough
That's what you told me yesterday

So what the hell do you want? Lord have mercy
What the hell do you want, from me? Yeah
What the hell do you want?
I don't know what else to do, yeah, yeah

What the hell do you want from me, baby? Yes
I don't know what
What the hell do you want from me

Yeah, yeah, oh, ooh, yeah

Listen, you tyin' to deceive me
You're tryin' to mislead me
Yes, yes, yes, yes
You didn't appreciate what I was doin'
Thank God I'm just gonna keep movin'

You can't hurt me no more, yeah
So I'm walkin' out that door
Said, you can't hurt me no more
So I'm walkin' out that door
