(verse one)

Sometimes I wonder  
How I'd ever make it through  
Through this world  
Without having you  
I just wouldn't have a clue  
And sometimes it seems  
Like this world's closing in on me  
And there's no way of breaking free  
Then I see you reach for me  
Sometimes I wanna give up  
Wanna give in  
I wanna quit the fight  
AND then i see you baby-  
Everything's alright-  
Everything's alright

(chorus)

When I see you smile  
I can face the world  
Oh you know I can do anything  
When I see you smile  
I see a ray of light  
Oh I see it shining  
Right through the rain  
When I see you smile  
Baby when I see you smile at me  
Oh yeah

(verse 2)

Baby there's nothing in this world that could ever do  
What the touch of your hand can do  
It's like nothing that I ever knew  
Heyyyy  
And when the rain is falling  
I don't feel it  
Cause you're here with me now  
AND ONE LOOK AT YOU BABY  
It's all I'll ever need  
It's all I'll ever need

When I see you smile

I can face the world  
Oh you know that I can do anything  
When I see you smile  
I see a ray of light  
Oh I see it shining  
Right through the rain  
When I see you smile baby  
Baby when I see you smile at me

(bridge)  
Sometimes I wanna give up  
I wanna give in  
I wanna quit the fight  
Then one look at you baby  
And everything's alright  
And everything's alright  
It's all right

(chorus)  
When I see you smile  
I can face the world  
Oh you know I can do anything  
When I see you smile  
I see a ray of light  
Oh I see it shining right through the rain  
Yeah  
When I see you smile  
I can face the world  
Oh you know that I can do anything  
When I see you smile  
Oh yeah  
Baby when I see you smile at me  
When i see you smile.. smile  
Aaaattt me..
