I'll give you love
the things you want
ooo I
I would do anything for you
I would do anything for you
I would do anything, girl, anything for you

Sitting at home another lonely night
wish you were here so i could hold you tight
Pain in my heart because im all alone
why did you leave
why did your love have to go

I would do anything for you,
I would

Thinking of ways that i could win your heart
but im so confused i dont know where to start
visions of love forever in my mind
i wait for the day when i could say that loves mine

Cause I would do anything for you
Yes i would

*Chorus:
I'll give you love (I'll give you love)
The things you want (the things you want)
Baby theres nothing in this world I wouldnt do
I would do anything for you
I would do anything for you
I would do anything, girl anything for you

So what can I do to prove I need your love
What will it take because i wont give up
Open your heart and let your feelings show
Cause deep down inside my heart just wont let you go

I would do anything for you
Yes I would

*Chorus

I'll give you love (I'll give you love)
The things you want (the things you want)
Baby, there's nothing in this world I wouldn't do
I would do anything for you
I would do anything for you
I would do anything, girl
Anything for you

So if there ever comes a time
when its true love you hope to find
just call out my name
and girl i swear i will do anything
I'll give you love

I'll give you love. Ooh I'll give you love girl
I'll give you love. Ooh I'll give you love girl
I'll give you love. Ooh I'll give you love girl
I'll give you love. Ooh I'll give you love girl

I would do anything for you
I would do anything for you
I would do anything, girl anything for you

*Chorus
I'll give you love
the things you want
Oooo I
I would do anything for you
I would do anything for you
I would do anything, girl anything for you (repeat 3x)
