

Agoraphobic Nosebleed **"Cryogenic Husk"**

Visit "[Cryogenic Husk](#)" on MotoLyrics.com

Thaw the Quaaludes from cryogenic husk
Lift the curtains, flip up the skirt
Let's have a look at that old cunt
Sarin nerve gas, four noble truths
Rebirth and raised the infinite idiot

From corpse, to cunt, to bio-terror catalyst
Sending it all to Shiva, sending it all to Shiva

In an envelope covered in anti-semitic and Muslim
graffiti

All I want is to be on with the winning team
All I want is to be on with the winning team
All I want is to be on with the winning team
All I want is to be on with the winning team

All I want is to be on with the winning team
All I want is to be on with the winning team
All I want is to be on with the winning team
All I want is to be on with the winning team
All I want is to be on with the winning team
