(Don't try to run, we're alone in this war  
Our thoughts will be futile, progressing bit by bit  
As I'm fighting to kill it)

(Replace all my frustration  
With you, inspiration was reclaimed)

(Fighting this addiction, I'm bleeding)

Evil is on my left, good is on my right  
(It's like I'm two faced, It's like I'm two faced)  
Telling me to hate, telling me to smile  
(It's like I'm two faced, It's like I'm two faced)

(For what, listen to me  
Now I am crying it out  
Trying to fight again inside  
Now I am screaming it out)

(Replace all my frustration  
With you, inspiration was reclaimed)

(Fighting this addiction, I'm bleeding)

Evil is on my left, good is on my right  
(It's like I'm two faced, It's like I'm two faced)  
Telling me to hate, telling me to smile  
(It's like I'm two faced, It's like I'm two faced)

(I am trying to figure it out why I'm bleeding,  
No one will ever understand me,  
It's like I'm two faced  
Understand me  
It's like I'm two faced  
Understand me)

Evil is on my left, good is on my right  
(It's like I'm two faced, It's like I'm two faced)  
Telling me to hate, telling me to smile  
(It's like I'm two faced, It's like I'm two faced)

(Evil is on my left, good is on my right)

It's like I'm two faced  
It's like I'm two faced  
Telling me to hate, telling me to smile  
It's like I'm two faced, It's like I'm two faced)
