

Slingshot 57 "Always There"

Visit "[Always There](#)" on MotoLyrics.com

I messed things up again today
Must've hurt you in the deepest way
I see the sun on the ground
Thinking that you are not around

All the places that i hide
All the times that i lied
You're always there
You're always there
Everytime that i hurt you
And all the stupid things i do
You're always there
You're always there

Tried to put it in my secret place
It's so hard to look you in the face
To say the words "i love you"
I hide my sin like i always do

Everytime i turn around
I can't get away from you

There's these times when things go great
You always seem to fill my plate
I think that it is what i've done
I ignore the fact that you're the one
