I feel so unsure
As I take your hand and lead you to the dance floor
As the music dies, something in your eyes
Calls to mind the silver screen
And all its sad goodbyes

CHORUS

I'm never gonna dance again
Guilty feet have got no rhythm
Though it's easy to pretend
I know you're not a fool
Should've known better than to cheat a friend
And waste the chance that I'd been given
So I'm never gonna dance again
The way I danced with you

Time can never mend
The careless whispers of a good friend
To the heart and mind
Ignorance is kind
There's no comfort in the truth
Pain is all you'll find

CHORUS

I'm never gonna dance again
Guilty feet have got no rhythm
Though it's easy to pretend
I know you're not a fool
Should've known better than to cheat a friend
And waste the chance that I'd been given
So I'm never gonna dance again
The way I danced with you

Never without your love

Tonight the music seems so loud
I wish that we could lose this crowd
Maybe it's better this way
We'd hurt each other with the things we'd want to say
We could have been so good together
We could have lived this dance forever

But now who's gonna dance with me?
Please stay

CHORUS

Guilty feet have got no rhythm
Though it's easy to pretend
I know you're not a fool
Should've known better than to cheat a friend
And waste the chance that I'd been given
So I'm never gonna dance again
The way I danced with you

(Now that you're gone)
Was what I did so wrong?
So wrong, that you had to leave me alone
