Contrite - commercial - arrogance - leprosy  
Consume the bitch - the fucker - mindless - like a child  
For pity's sake - I've had all that I can take  
We try - but in the end we'll see  
There are no more codes  
Only who is shit  
And who's still free  
I was gonna change the world  
With honor and aggression  
No one listened - no one cared  
All they saw was misdirection

Go ahead and disagree  
I'm giving up again  
Go ahead and disagree  
I'm giving up again  
Go ahead and disagree  
I'm giving up again  
Go ahead and disagree  
I'm giving up again  
I don't want you anymore (I don't want you anymore)  
I don't need you anymore (I don't need you anymore)  
Fingerprint of god  
Your new religions covet  
This vessel wasn't built to last  
But I will live forever  
You'll never have to say surrender  
Because you're so part of it  
My total honesty has no place for tomorrow  
Guilty pleasures give me pain  
Tell my people I can't follow

Go ahead and disagree  
I'm giving up again  
Go ahead and disagree  
I'm giving up again  
Go ahead and disagree  
I'm giving up again  
Go ahead and disagree  
I'm giving up again  
You'll never censor me  
You'd better cherish me

My reason has a voice  
Freedom's gone but we'll always have a choice  
My present future tense  
It doesn't make much sense  
I'm coming after you  
Fuck you all I'm the only point of view

Violence and dollar signs  
Another processed piece of shit  
You hide your fault in diamonds and give away the only  
Cost - you can't delay the inevitable  
Lost - don't understand the incredible path  
I'm losing ground - but I won't care when I go down

Go ahead and disagree  
I'm giving up again  
Go ahead and disagree  
I'm giving up again  
Go ahead and disagree  
I'm giving up again  
Go ahead and disagree  
I'm giving up again  
Go ahead and disagree  
I'm giving up again  
Go ahead and disagree  
I'm giving up again  
Go ahead and disagree  
I'm giving up again  
Go ahead and disagree  
I'm giving up again  
Go ahead and disagree

I'm giving up again  
I'm giving up again  
I'm giving up again
