Give me the dust of my father  
Stand on the face of the ancients  
Bare all the secret flesh of time itself

Follow me  
I've come so far, I'm behind again  
Follow me  
I wish so hard I'm there again  
Follow me, follow me

All that I wanted were things I had before  
All that I needed, I never needed more  
All of my questions were answers to my sins  
All of my endings are waiting to begin

I know the way but I falter

I can't be afraid of my patience  
There's a sacred place, Razel keeps safe

Follow me  
I've seen so much, I'm blind again  
Follow me  
I feel so bad, I'm alive again  
Follow me

All that I wanted were things I had before  
All that I needed, I never needed more  
All of my questions were answers to my sins  
And all of my endings are waiting to begin
