I wanna slit your throat and fuck the wound  
I wanna press my face in and feel the swoon  
I wanna dig inside, find a little bit of me  
Cause the line gets crossed when you don't come clean

My wormwood meets your pesticide  
You'll never get out, cause you were never alive  
I am infinite, I am the infant finite  
Come a little closer and I'll show you why

(NO ONE IS - SAFE)  
Noises, noises, people make noises  
People make noises when they're sick  
Nothing to do except hold on to NOTHING

How does it feel to be locked inside another dream  
That never had a chance of being realized?  
What the fuck are you looking at?  
I'll tell you what you're looking at  
Everyone you ever fucking laughed at

Look in my eyes for the answers - typical  
I can feel it underneath like a miracle  
Everybody in the world needs more than  
Lies and consequences to power them  
Once again, it's me and no one else  
I can't remember if there was a someone else  
It's not mine, it's not fair, it's outta my hands  
And it's shaking - you'll never take me

(NO ONE IS - SAFE)  
Noises, noises, people make noises  
People make noises when they're sick  
Nothing to do except hold on to NOTHING

NOTHING!

(HATE) Hate ain't enough to describe me  
(SCREAM) Somewhere between screaming and crying  
I'm not supposed to be here  
I'm not supposed to be

(WHY) When do I get to know why?  
(BITTER) Bitter as the stink of when I try  
I'm not supposed to be here  
I'm not supposed to be

Pull your hands away  
I'm gone - goodbye - it's so depressing  
Withering away  
Take a look - inside - my soul is missing  
All I have
