This is on the Digipak, following the song Despise and it precedes Eeyore. It is a song in which they are all watching an extremely disgusting porno as Chris' initiation into the group. (RUMOR: The Porno is called "Mudslide" buy it from Adam & Eve porn shops).

"Does this not bother any of you guys?"
"Shawn you need to shoot from the bathroom door out so you don't get any on the....."
"Yeah Shawn go over there."

(Shawn was apparently creating a home video of the group and they were simply telling him to move for a better angle, according to Shawn in an interview.)

"Shawn.."
"Is that your aunt?"
"HAHAHA"
"Dude, my frat burger is comin' back up dude"
"No Shit"
"Ohhhh God.. hahaha"
"Ohh look at that"
"Oh God damnit"
"Ahh Dude"
"Shit!"
"No..dude"
"Look at that poo face she got goin on.." and "oh no I'm not here dude" at the same time
"Dude my eyes are watering"
"Haha ohh.."
"Ohh, oh man let it roll"
"She gotta 5 o'clock shadow"

"Oh god"
"Fuckers"
"I'm tearin' up"
"Fuckin God dude"
"She's all about it"
"She can't get enough!"
"HAHAHA"
"Pretend it's pudding, pretend it's pudding"

"Dude, that's some chunky pudding"
"He's watchin her"
"He/she's gonna take off"
"He's all checkin it out now"
"HAHA"
"She's all about that shit, she's all about it dude"

TIME PASSES AND UN-UNDERSTANDABLE WORDS FLY
AROUND BETWEEN LAUGHS AND PUKING

"It don't bother me at all"
