We're the hollow men. Living, Mating together, let
peace fill strong.

Bless.

I dont wanna contain

I wanna the taste

I wanna the were out

You know me better then that

I wanna the leiture

I push any content

I know you fucked there

You never fall, you complete

How then you stay any state

Shared the only way

Someone need to see it all

Even if i wanted you

The angry wish man

I am the angry wish man

I dont wanna see you

I dont wanna break

Your matter is contest

The angry man never contest

I have this is I years

I have a chance

I'm sorry, someone

I wont someone to late

Shut up, this sound decay

You are the only way

Fallow or let it die

All i wanna do is break

The angry wish man

I am the angry wish man

I am the angry wish man.

Some people say this song is from Slipknot's
unreleased album

"Crowz". I for one believe that this song was made
between "Come

What May" by "Stone Sour", and "IOWA" by "Slipknot".
