Digipack Bonus Track)

Many have come and gone
Still left out of the guttural swansong
Takin' nothin' but the best in the area
Givin' me grief but fucker I'll stare you
down 2 3 you're out of there
Maybe it's me but I'm frantic in a panic
Ain't never had a problem since you stopped comin'
here
Big man walkin' but bitch I'm still talkin'

Can't you see it's gotta be this way?

Gimme any reason why I'd need you (boy)
Gimme any reason why I'd need you (boy)
Gimme any reason why I'd need you (boy)
Gimme any reason not to fuck you up

Ain't gonna leave and you know I'm never gone fade,
Here it comes again, gotta burn again
Time now, throw down, don't dirty me,
Right on your ugly-ass face cuz

I aint the one who let you in,
And I ain't the one who set you off
But I know damn well when someone's pushing my
buttons,
Let tell you somethin', I'LL PUSH YOU BACK!

"Soon as that camera goes off, he's gonna fuck that
little dog."

Gimme any reason why I'd need you (boy)
Gimme any reason why I'd need you (boy)
Gimme any reason why I'd need you (boy)
Gimme any reason not to fuck you up

Gimme any reason why I'd need you (bitch)
Gimme any reason why I'd need you (bitch)
Gimme any reason why I'd need you (bitch)

Gimme any reason not to fuck you up

You're made of flesh....
(What I'm focused on
