Relax it's over
You belong to me
I fill your mouth with dirt
Relax it's over
You can never leave
I take your second digit
With me
Love
You are my first
I can barely breathe
I find you fascinating
You are my favourite
Lay you down to sleep
It's all that
I can do to stop
Love
So blue so broken
Paper doll decays
I haven't left you yet
So cold subversive
Your eyes are full of bleach
Tomorrow
I will go away again
Love
You are mine
You will always be mine
I can tear you apart
I can recombine you
All I want is
To covet you all
You belong to me
I will kill you
To love you
Love
