I've known  
Faces that have disappeared in time  
Find me wrapped in glass and slowly soaked in lime  
All my  
Friends have pictures made to make you cry  
I've seen this and wondered  
What I've done to calcify

(I ignore you)  
As I close my eyes,  
I feel it all slipping away  
(I come towards you)  
We all got left behind,  
We let it all slip away  
(I ignore you)  
As I close my eyes,  
I feel it all slipping away  
(I come towards you)  
We all got left behind,  
We let it all slip away

I can't stand to see  
Your thalidomide robot face  
I Don't even try it  
You had to be a liar  
Just to infiltrate me  
I'm still drowning!

(I ignore you)  
As I close my eyes,  
I feel it all slipping away  
(I come towards you)  
We all got left behind,  
We let it all slip away  
(I ignore you)  
As I close my eyes,  
I feel it all slipping away  
(I come towards you)  
We all got left behind,  
We let it all slip away

Take this away

Take this away  
I can feel you in my mouth  
I can taste you on my fingers  
I can hear you like the Holy Ghost  
And kill you if you get too close

As I close my eyes,  
I feel it all slipping away  
(I come towards you)  
We all got left behind,  
We let it all slip away  
(I ignore you)  
As I close my eyes,  
I feel it all slipping away  
(I come towards you)  
We all got left behind,  
We let it all slip away

We let it all slip away (Repeated)4x
