There we go, long before
a different reason to die
I'm reborn!
I'm not a slave, sick and dead
There is not another way
get out of my head!

Life without dead!
Another way to escape!
Life without dead!
I'm gettin' right in your face!
Life without dead!
Evil thoughts confuse your brain!
Life without dead!
And it's fuckin' insane!

Shot out in, a broken world
messed up and dead
it makes you hurl!
Vigorously, wept for a cure
Melodramatic enemies
the anger will stir!

Life without dead!
Another way to escape!
Life without dead!
I'm gettin' right in your face!

Life without dead!
Evil thoughts confuse your brain!
Life without dead!
And it's fuckin' insane!

Nothing, left to, say it's, over.....!
You know you're crazy and distraught!
Here are some lessons I have taught!
People don't matter, they'll stab you in the back!
Shut you outside so they can laugh!

Life without dead!
Another way to escape!
Life without dead!

I'm gettin' right in your face!
Life without dead!
Evil thoughts confuse your brain!
Life without dead!
And it's fuckin' insane!
