Inside
Inside
Inside

Giving in to what has got me
Feeling claustrophobic, scarred
Severed me from all emotion
Life is just too fucking hard

Snap! your face was all it took
'Cause this need ain't doin' me no good
Fall on my face, but can't you see?
This fucking life is killing me

Tearing me inside
Tearing me inside
Tearing me inside
Tearing me inside

Too far gone, I'm catatonic
Leaving you to criticize
Empty shell and running naked
All alone, lobotomized

Back and forth between my hang-ups

It isn't easy to be hated, where do ya go? whaddya do?
Simpleton, impromptu, crazy eight
I never cared, not once gotta get away

Tearing me inside
Tearing me inside
Tearing me inside
Tearing me inside

I wasn't promised a thing
You keep mocking me
But you will never again
Before you know, after you're gone

Gone

Somos feos y apestamos y pero reinamos hoto
mutherfucker

I wasn't promised a thing
You keep mocking me
But you will never again
Before you know and after you're gone

Gone
Gone
Gone inside
