I'm in conniptions
For the final act
You came here for
The one derivative
You manage is the
One I abhor
I need a minute to eliminate
For everyone the
Everyday bullshit things
That you have done

Your impossible ego
Fuck is like a
Megalomaniacal tab
On my tongue
You fuckin' touch me
I will rip you apart
I'll reach in and take
A bite out of that shit
You call a heart...

I don't mind being ogled
Ridiculed, made to feel minuscule
When you consider the source
It's kinda pitiful
The only thing you really know
About me is...
That's all you'll ever know

I know why you blame me
I know why you blame yourself
I know why you plague me
I know why you plague yourself

I'm turning it around
Like a knife in the shell
I wanna understand why
But I'm hurting myself
I haven't seen a lot reasons
To stop it
I can't just drop it
I'm just a bastard

But at least I admit it
AT LEAST I ADMIT IT

I know why you blame me
I know why you blame yourself
I know why you plague me
I know why you plague yourself

YEAH

Kill you, fuck you, I will never be you, YEAH
Kill you, fuck you, I will never be you, YEAH
I can't fucking take it anymore
A snap of the synapse
And now it's fuckin' war
Kill you, fuck you, I will never be you, YEAH

I know why you blame me
I know why you blame yourself
I know why you plague me
I know why you plague yourself

I know why you blame me
I know why you blame yourself
I know why you plague me
I know why you plague yourself

Well, I know why you blame yourself
I know why you blame yourself
I know why you plague yourself
I know why you plague yourself
