Watch those idiosyncrasies  
Watch all the idiots fall on me  
Getting out of ways to get outta the way  
Take another shot just to stay the same  
But I need some balance - Back it off  
Fill your lungs 'til it makes you cough  
Tell me everything's gonna be alright  
'Cause I don't think I'll make it through tonight

The only way - Is all the way

Oh - my - God  
It's judgement day and I'm not prepared  
Everybody out there's running scared  
So - Take a little bit off the top  
I don't care, just make it stop

I won't give another soul... to you  
I won't give another life... to you  
You have to stop  
Stop!

Do one thing and say something cryptic  
But the styles always clash  
One thing I know for sure  
The hypothetical won't work anymore  
One wrong move and they will pound!  
My nails are tight inside my wrists  
This sacrament is sacrilege and sentimental  
Deity experimental - Faith is accidental

I won't give another soul... to you  
I won't give another life... to you  
I won't give another thought... to you  
I won't give anymore of my hope... to you
