Here we go again motherfucker

Come on down and see the idiot right here  
too fucked to beg and not afraid to care  
Whats the matter with calamity anyways?  
right? get the fuck out of my face  
understand I cant feel anything  
it isn't like I wanna sift through the decay  
I feel like a wound  
and like I got a fucking gun against my head  
you live when I'm dead

One more time motherfucker

Everybody hates me now so fuck it  
blood's on my face and my hands don't know why, I'm  
not afraid to cry  
but that's none of your business  
Whose life is it? Get it? see it? feel it? eat it? spin it  
around  
so I can spit in his face  
I wanna leave without a trace  
get out, I don't want to die in this place

people=shit  
people=shit (what you gonna do)  
people=shit ( cuz I'm not afraid of you)  
people=shit (I'm everything you'll never be)  
people=shit

It never stops  
you can't be everything to everyone

Contagion I'm sittin on the side of satan  
what do you want from me?  
They never told me the failure I was meant to be  
Overdo it, don't tell me you blew it, stop your bitchin'  
and fight your way through it  
I'm not like you  
I just fuck up

c'mon mother fucker everybody has to die  
c'mon mother fucker everybody has to die !!

people=shit  
people=shit (what you gonna do)  
people=shit ( cuz I'm not afraid of you)  
people=shit (I'm everything you'll never be)  
people=shit
