One more time and I'm gonna snap
One more time and I'm gonna snap
One more time and I'm gonna snap
One more time and I'm gonna snap

One more time and I'm gonna snap
One more time and I'm gonna snap
One more time and I'm gonna snap
One more time and I'm gonna snap

One more time and I'm gonna snap
One more time and I'm gonna snap
One more time and I'm gonna snap
One more time and I swear I'm gonna

Snap, I'm gonna snap
I'm gonna snap, I'm gonna snap
I'm gonna snap, I'm gonna snap
I'm gonna snap, I'm gonna snap

1, 2, look out behind you
Bitch, gonna be on all you
Peace suffocates their freedom
This'll better be a part of me
You were a par and a nag

Thinkin' that you lost my friend
It doesn't matter what price you win
Blood, sweat and bastard size
Stare into the killer in your eyes

Besiege me, I kiss your cancer
Deceiving, this doesn't matter
Becoming degraded dated
Behind me one more, I swear I'm gonna

Snap, I'm gonna snap
I'm gonna snap, I'm gonna snap
I'm gonna snap, I'm gonna snap
I'm gonna snap, I'm gonna snap

I'm gonna snap, I'm gonna snap

I'm gonna snap, I'm gonna snap
I'm gonna snap, I'm gonna snap
I'm gonna snap, I'm gonna snap

Snap, I'm gonna snap
I'm gonna snap, I'm gonna snap
I'm gonna snap, I'm gonna snap
I'm gonna snap, I'm gonna snap

I'm gonna snap, I'm gonna snap
I'm gonna snap, I'm gonna snap
I'm gonna snap, I'm gonna snap
I'm gonna snap, I'm gonna snap

All I want is what is mine
All I want is what is mine
All I want is what is mine
All I want is what is mine
All I want is what is mine

You ain't no fucking friend of mine
Ain't no fucking friend of mine
Ain't no fucking friend of mine
Ain't no fucking friend of mine

All I want is what is mine
All I want is what is mine
All I want is what is mine
All I want is what is mine
All I want is what is mine

You ain't no fucking friend of mine
You ain't no fucking friend of mine
You ain't no fucking friend of mine
You ain't no fucking friend of mine

One more time and I'm gonna snap
One more time and I'm gonna snap
One more time and I'm gonna snap
One more time and I'm gonna snap

One more time and I'm gonna snap
One more time and I'm gonna snap
One more time and I'm gonna snap
One more time and I'm going to fucking

Snap, I'm gonna snap
I'm gonna snap, I'm gonna snap
I'm gonna snap, I'm gonna snap
I'm gonna snap, I'm gonna snap

I'm gonna snap, I'm gonna snap
I'm gonna snap, I'm gonna snap
I'm gonna snap, I'm gonna snap
I'm gonna snap, I'm gonna snap
