8...6...7...3.... Uh.... Umm...2...5...4...1!  
 YEAH!  
 I'm a failing student and I don't get it yet.  
 Got a super bad mark and got hit on the head.  
 I don't wanna be a winner; I just wanna eat my dinner  
 I'm just a retard, a homework neglecter.  
 A hideous fag that you don't understand  
 assign a worksheet and I'm guaranteed to fuckin snap  
 can't concentrate, it's too much.  
 Equations, problem solving, a geek isn't what I wanna  
 be  
 222 plus 555, equals 666  
 444 plus 555, equals 666  
 Nope! It's 111 plus 555 equals 666!!!  
 [What's it like to be bad at mathematics?]  
 111 plus 555 equals 666!!!  
 [What's it like to be bad at mathematics?!]  
 Everybody's so intelligent!  
 Everybody's so completely sure what the answers are  
 while everybody calculates I'm miles away  
 got a blank face  
 "solve:  $(5 \times 133) + 1$ "... I don't know what to say  
 I cant do this! it may look easy to you  
 But it's hard for me, I wish that I knew  
 but I don't cause I cant do the math, I got  
 a D- on my test which is fine because I gave it my best  
 shot!  
 222 plus 555, equals 666  
 444 plus 555, equals 666  
 Nope! It's 111 plus 555 equals 666!!!  
 [What's it like to be bad at mathematics?]  
 111 plus 555 equals 666!!!  
 [What's it like to be bad at mathematics?!]  
 YEAH!  
 I... Hate... MATHEMATICS!  
 YEAH!  
 30 questions... "16, 8, 4, find the pattern." WHY!?!?  
 I haven't the slightest, I'm not the brightest  
 they're listening, calculating  
 all the math in the world doesn't make sense to  
 me  
 go ahead, lie to me

tell me again how I'm not retarded  
I wanna know why you keep telling me I'm not, well,  
That's just bullshit..  
I'm.. Just...mentally challenged...yeah.. That's it!  
333 plus 555, equals 666  
555 plus 555, equals 666  
Nope! It's 111 plus 555 equals 666!  
[What's it like to be bad at mathematics?]  
000 plus 555 equals 666!!!  
[What's it like to be bad at...]  
MATHEMATICS!
