This is the year where hope fails you  
The test subjects run the experiments  
And the bastards you know, is the hero you hate  
But cohesing is possible if we strive  
Theres no reason, theres no lesson  
No time like the present, telling you right now  
What have you got to lose, what have you got to lose  
Except your soul...just listen

I fight for the unconventional  
My right, and its unconditional  
I can only, be as real as i can  
Bacause advantages  
I never knew the plan  
This isnt the way just to be a martyr  
I cant, walk alone any longer  
I fight, for the ones that cant fight  
And if I lose, at least I tried

We, we are the new diabolic  
We, we are the bitter bucolic  
If I have to give my life you can have it  
We, we are the pulse of the maggots

I wont, be the inconsequential  
I wont, be the wasted potential  
I can make it, as severe as I can  
Until you realize  
Ill never take a chance  
It isnt, just one side aversion  
Weve dealt, with a manies diversion  
And I wont, let the truth be perverted  
I wont let another victim deserted

We, we are the new diabolic  
We, we are the bitter bucolic  
If I have to give my life you can have it  
We, we are the pulse of the maggots

Do you understand? (yes)  
Do you understand? (yes)

Do you understand? (yes)  
Do you understand? (yes)

Say it again say it again (we wont die)  
Say it again say it again (we wont die)  
Say it again say it again (we wont die)  
Say it again say it again (we wont die)  
Say it again say it again (we wont die)  
Say it again say it again (we wont die)  
Say it again say it again (we wont die)  
Say it again say it again (we wont die)

We fight, for the ones who cant fight us  
We live, and no one cant stop us  
We pulse, with a push too far  
And the advantages  
Are but a malice  
We never, had to fight in the first place  
We only, had to spit back at their face  
We wont, walk alone any longer  
What doesnt kill us, only makes us stronger

We, we are the new diabolic  
We, we are the bitter bucolic  
If I have to give my life you can have it  
We, we are the pulse of the maggots

Do you understand (yes)  
Do you understand (yes)  
Do you understand (yes)  
Do you understand (yes)

Say it again say it again (we wont die)  
Say it again say it again (we wont die)  
Say it again say it again (we wont die)  
Say it again say it again (we wont die)
