Our friends
Are all hurting
From moments,
And regrets,
And charity
Laced with a lie
Still we keep hoping
To fix all the defects
And strengthen
These seminal ties
We go on together
For better or worse
Our history
Is too real to hate
Now and forever
We stay until morning
And promise to fight
For our fate

Til we die
Til we die

The start of the journey
Is every bit worth it
I can't let you
Down anymore
The sky is still clearing
We're never afraid
And the consequence
Opens the door
I've never stopped trying
I've never stopped
Feeling like family
Is much more than blood
Don't go on without me
The piece that I represent
Compliments each
And everyone

Til we die
Til we die

We won't be forgotten
We'll never give in
This war we've achieved
Has allowed us to win

Til we die
Til we die

My last true confession
Will open your eyes
I've never known
Trust like the nine
Let it be spoken
Let it be screamed
They'll never ever
Take us alive

Til we die
Til we die

We won't be forgotten
We'll never give in
This war we've achieved
Has allowed us to win

Carry on
Carry on

(We'll never be broken
We won't be denied)
(Our war is the present
We need to deny)
(We'll never be broken
We won't be denied)
(Our war is the present
We need to deny)

Til we die
Til we die

We won't be forgotten
We'll never give in.
This war we've achieved
Has allowed us to win

Carry on
Carry on

We'll never be broken
We won't be denied
Our war is the present

We need to deny

Til we die
Til We die

We won't be forgotten
We'll never give in
This war we've achieved
Has allowed us to win

Til we die
Til we die

We'll never be broken
We won't be denied
Our war is the present
We need to deny
