She seemed dressed in all of me  
Stretched across my shame  
All the torment and the pain  
Leaked through and covered me  
I'd do anything to have her to myself  
Just to have her for myself

Now, I don't know what to do  
I don't know what to do  
When she makes me sad

She is everything to me  
The unrequired dream  
A song that no one sings  
The unattainable  
She's a myth that I have to believe in  
All I need to make it real is one more reason

I don't know what to do  
I don't know what to do  
When she makes me sad

But I won't let this build up inside of me  
I won't let this build up inside of me  
I won't let this build up inside of me  
I won't let this build up inside of me

I catch in my throat  
Choke  
Torn into pieces  
I won't, no  
I don't want to be this

But I won't let this build up inside of me  
(I won't let this build up inside of me)  
I won't let this build up inside of me  
(I won't let this build up inside of me)  
I won't let this build up inside of me  
(I won't let this build up inside of me)  
I won't let this build up inside of me  
(I won't let this build up, build up inside of me)

Won't let this build up, build up inside of me

She isn't real

(I won't let this build up, build up inside of me)

I can't make her real

(I won't let this build up, build up inside of me)

She isn't real

(I won't let this build up, build up inside of me)

I can't make her real

(I won't let this build up, build up inside of me)
