I felt the hate rise up in me
Kneel down and clear that stone of leaves
I wander out where you can't see
Inside my shell, I wait and bleed.
I felt the hate rise up in me
Kneel down and clear that stone of leaves
I wander out where you can't see
Inside my shell, I wait and bleed.

Goodbye!

I wipe it off the tile, the light is brighter this time
Everything is 3D blasphemy
My eyes are red and gold, the hair is standing straight
up
This isn't the way I picture me
I can't control my shakes, how the hell did I get here?
Something about this, so very wrong
I have to laugh out loud, I wish I didn't like this
Is it a dream or a memory?

I felt the hate rise up in me
Kneel down and clear that stone of leaves
I wander out where you can't see
Inside my shell, I wait and bleed

Get outta my head cause I don't need this
Why didn't I see this?
But I'm a victim Manchurian candidate
I have sinned by just
Makin' my mind up and takin' your breath away!

I felt the hate rise up in me
Kneel down and clear that stone of leaves
I wander out where you can't see
Inside my shell, I wait and bleed
I felt the hate rise up in me
Kneel down and clear that stone of leaves
I wander out where you can't see
Inside my shell, I wait and bleed.

Goodbye!

You haven't learned a thing
I haven't changed a thing
The flesh was in my bones
The pain was always free
You haven't learned a thing
I haven't changed a thing
The flesh was in my bones
The pain was always free

I felt the hate rise up in me
Kneel down and clear that stone of leaves
I wander out where you can't see
Inside my shell I wait and bleed
I felt the hate rise up in me
Kneel down and clear that stone of leaves
I wander out where you can't see
Inside my shell, I wait and bleed.

AND I WAIT FOR YOU!!!

Clear that stone of leaves
I wander out where you can't see
Inside my shell, I wait and bleed.
I felt the air rise up in me
Kneel down and clear that stone of leaves
I wander out where you can't see
Inside my shell I wait and bleed

AND I WAIT FOR YOU!!!
