THOU SHALT NOT

Kill your Fathers - Destroy another Life
Question everything we clung to for years
Live Forever - Design a Better Death
Confuse a liar with a savior from fear
Create a Myth and Separate the Chosen Ones
Adolescent Independence / Dominion
I only wanna believe in fuckin' anything
But now my conscience is contradicting everything

THE ENDING'S THE SAME / THE WORLD WILL NOT CHANGE
THE ANSWER IS CLEARâ€;

Tell your Mothers they have no Sons or Daughters Blame yourselves because your Children are Mine We are Orphans, but we are not Forgotten And we will find a way to save us this time We can run, but we are tired of running We're dropping seconds in a glass 'til we die We only wanna believe in fuckin' everything But we're alive and we're not accepting anything

THE ENDING'S THE SAME / THE WORLD WILL NOT CHANGE
THE ANSWER IS CLEARâ€; ANNIHILATION

I won't control or restrain things I do not understand Now I realize I'm STRONGER THAN I They gave to me now I give to you the means to burn the thoughts I had Now I realize I'm STRONGER THAN I THOUGHT

WE HAVE TO SAVE OURSELVES

I will never become another piece
Inside the Paralytic Construct I hate
Live Forever? Well, I would rather die
At least I'd know I wasn't theirs to create
This is yours, but you had better choose
Before they take away your right to decide

I guess I'll never believe in fuckin' anything But my solace is I CAN HANDLE EVERYTHING

THE ENDING'S THE SAME / THE WORLD WILL NOT CHANGE
THE ANSWER IS CLEAR… OBLITERATION

I won't control or restrain things I do not understand Now I realize I'm STRONGER THAN I
They gave to me now I give to you the means to burn the thoughts I had
Now I realize I'm STRONGER THAN I
I won't control or restrain things I do not understand Now I realize I'm STRONGER THAN I
They gave to me now I give to you the means to burn the thoughts I had
Now I realize I'm STRONGER THAN I THOUGHT

WE HAVE TO SAVE OURSELVES
