Breathe the hate that surrounds you
Twisting and pulling me in
Suffocate your opinions
Ripping you out of your skin
Cast aside you're not forgiven
Creatures are crawling within
Shadows cast aside
Feeling like they're eating you up inside...

Inside, you are lying broken
Decide, suffocating opinions
Leaving you there to die
You are lying broken
Decide, suffocating opinions
Leaving you there to die

A simple lie becomes a bitter pill
Stuck in your thoughts it will lie
An unanswered question that you were given
Is hidden and lost for all time
Eating up what is within you
Trying to force you to cry
Breaking down becomes your enemy and locking you
up inside...

Inside, you are lying broken
Decide, suffocating opinions
Leaving you there to die
You are lying broken
Decide, suffocating opinions
Leaving you there to die

Inside, you are lying broken
Decide, suffocating opinions
Leaving you there to die
You are lying broken
Decide, suffocating opinions
Leaving you there to die

Inside, you are lying broken
Decide, suffocating opinions
Leaving you there to die
