Stop saying I can't do it
Don't tell me how to live
You won't get the best of me
So go drown in self-pity
You are my worst enemy!! Repeat
You keep wasting my time
That I can never rewind
So get out of my face
So I could escape, 'causeâ€¦
You are my worst enemy!! Repeat
Enemy!!! Repeat
Take a dose of reality
Turn it up a notch
Open up the knocking door
And get up from the floor, 'causeâ€¦
You are my worst enemy!! Repeat
Enemy!!
You keep wasting my time
I can never rewind
So get out of my face
So I can escape, 'causeâ€¦
Repeat
You are my worst enemy!! Repeat
Got that!
