You'll never get far, You can't be a star  
I think your crazy, and you're wasting your time  
You play to fast, you act to dumb  
You're having to much fun  
And you sing like a girl

What can I say, 'cause I always just fall  
Down on my face, I'm sick of this place  
Waiting for anything  
Lonely, scared, and desperate for a change

We got no tricks, we don't suck dick  
Our future looks hazy, we are wasting our time  
We play outta tune, I can't hold a note  
We must be crazy  
And I sing like a girl

I wannabe in pop punk poser sell out band  
Wannabe wannabe wannabe a rockstar pretty boy  
But I'm working at Toys R Us
