Hey, hey, hey!  
Hey, hey, hey!

Welcome to Party Beach  
Drag races in the street  
They haul that toxic waste offshore  
And they throw it overboard

It falls into a sunken hull  
And spills onto a human skull  
So run like hell for all you're worth  
'Cause monsters walk the earth

You only came here for the sun  
But now there's nowhere left to run  
And danger is never out of reach  
Whooooaaa . . . on Party Beach!

Hey, hey, hey!  
Hey, hey, hey!

The girls are fading fast  
'Cause they all turned into monster mash  
Can't sing, can't dance, can't surf  
'Cause monsters walk the earth

All the kids down on the bay  
Gotta try to find a way  
To stop this pandemonium  
We're gonna blow 'em up with sodium

You know there's nowhere left to hide  
They'll only go out with the tide  
But danger is never out of reach  
Whooooaaa . . . on Party Beach!

Hey, hey, hey!  
Hey, hey, hey!

The girls are fading fast  
'Cause they all turned into monster mash

Can't sing, can't dance, can't surf  
'Cause monsters walk the earth

All the kids down on the bay  
Gotta try to find a way  
To stop this pandemonium  
We're gonna blow 'em up with sodium

You know there's nowhere left to hide  
They'll only go out with the tide  
And danger is never out of reach  
Whooooaaa . . . on Party Beach!
