EVEN THOUGH IT'S OVER

Everything I do  
All I say  
Falls apart when you won't stay  
Even though  
We both know  
Nothing ever stays the same

I'm not like you wanted me  
I can't forget all that  
I'm not what you wanted  
We go on, and on, and on, and on and on

I will follow you  
Until you push me away  
If we could just forget it  
It would make it easier

Even though tomorrow won't change a thing  
Even though tomorrow won't change a thing  
Even though tomorrow won't change

Even though it's over  
Even though it's over

Everything I do

All I say  
Falls apart when you won't stay  
Even though  
We both know  
Nothing ever stays the same

I'm not like you wanted me  
I can't forget all that  
I'm not what you wanted  
We go on, and on, and on, and on and on

I will follow you  
Until you push me away  
If we could just forget it

It would make it easier

Even though tomorrow won't change a thing  
Even though tomorrow won't change a thing  
Even though tomorrow won't change

Even though it's over  
Even though it's over  
Even though it's over  
Even though it's over
