I wanna cut through my skin  
And pull you within  
My heart burns like the sun  
As our flesh becomes one

In The Darkness, my heart aches at the sight of you  
Trembles and quakes within sight of you  
In The Darkness

Our bodies burning,  
tides are turning,  
somehow stopping time  
What is becoming of my heart and mind?

In The Darkness,  
all that you want from me,  
is all I have to give  
In The Darkness, coming so easily,  
learning how to live  
In The Darkness,  
all that you want from me,  
is all I have to give  
In The Darkness, coming so easily,  
learning how to live

I will surrender my sin  
And give you control  
Make me a martyr for love  
To the heavens above

In The Darkness, my heart aches at the sight of you  
Trembles and quakes within sight of you

In The Darkness

Our bodies burning, tides are turning, somehow  
stopping time  
What is becoming of my heart and mind?

In The Darkness,  
all that you want from me,  
is all I have to give

In The Darkness, coming so easily,  
learning how to live  
In The Darkness,  
all that you want from me,  
is all I have to give  
In The Darkness, coming so easily,  
learning how to live

Our bodies burning turns a turning  
What is becoming of my heart and mind?

In The Darkness,  
all that you want from me,  
is all I have to give  
In The Darkness, coming so easily,  
learning how to live  
In The Darkness,  
all that you want from me,  
is all I have to give  
In The Darkness, coming so easily,  
learning how to live
