"Let Down"

And the tears fall like rain down my face again
Oh, the words you wouldn't say
And the games you played with my unfoolish heart
Oh, I should have known this from the start

Oh, the winter and spring going in hand in hand
Just like my love and pain
How the thought of you cuts deep within the vein
Brand new skin stretched across scared terrain

So I don't wanna be let down
I don't wanna live that life again
Don't wanna be lead down the same old road
Said, I don't wanna be let down
I don't wanna live my lies again
Don't wanna be lead down the same old road

All those years down the drain
Love was not enough when you want everything
But what I gave to you and now the end must start

Oh, I should have listened to my heart

'Cause I don't wanna be let down
I don't wanna live that life again
Don't wanna be lead down the same old road
Said, I don't wanna be let down
I don't wanna live my lies again
Don't wanna be lead down the same old road

'Cause I don't wanna be let down
I don't wanna live that life again
Don't wanna be lead down the same old road
Said, I don't wanna be let down
I don't wanna live my lies again
Don't wanna be lead down the same old road

Don't wanna be lead down the same old road
Don't wanna be lead down the same old road
Don't wanna be lead down the same old road
Don't wanna be lead down the same old road
Don't wanna be lead down the same old road
