Quiet  
Everyone's sleeping through life  
Afraid that their questions  
Just might have answers  
Quiet  
Everyone shut off their mind  
So I'll turn on mine

Alone in a world  
With millions of souls  
Walking in Circles  
Trapped in their dreams  
Unhealthy, unclean  
Walking in Circles, now  
Do not disturb  
Scream in silence  
Everyone's sleeping

Quiet  
We're living inside of our mouths  
Afraid someone just might  
Hear what we're thinking  
Quiet  
Careful of what you might say  
'Cause they'll put you away

Alone in a world  
With millions of souls  
Walking in circles (Walking in circles)  
Trapped in their dreams

Unhealthy, unclean  
Walking in Circles, now  
Do not disturb  
Scream in silence  
Everyone's sleeping

Alone in a world  
With millions of souls  
Walking in circles (Walking in circles)  
Trapped in their dreams  
Unhealthy, unclean

Walking in Circles, now  
Do not disturb  
Scream in silence  
Everyone's sleeping

Alone in a world (Walking in circles, now)  
With millions of souls (Walking in circles, now)  
Walking in circles (Walking in circles, now)  
Alone in a world (Walking in circles)  
With millions of souls (Walking in circles)  
Walking in circles, now  
Do not disturb  
Scream in silence  
Everyone's sleeping
