FM 92.2 2002

You in the mid-day cruisin fair with the fabulous  
marvalous marv  
Get down to marley marley shrimp shack, boogie star  
That was detroit zoom slum village you just heard on  
your dial  
On the only other station you gonna hear somethin' ya  
aint heard in a while  
R.J.'s latest arrival  
Performin live tonight at the raw little cafe  
Tickets on sale right now and they goin pretty fast  
I gotta couple right here for the 7th caller  
Give me a call and get your front row seats to a blast  
from the past  
Ladies free until 9  
Ya better get down here cause they lookin so fly

Saw this guy, caught my eye  
In the nick of time  
He was so fly

I saw you round my way just the other day  
You were damn fine  
You made me lose my mind  
In the nick of time  
You were too fly  
Now lady  
Me and t3 little men, lookin at your ass  
It was so wide  
You don't know what you did when you walked past  
With your fine ass  
Now lady  
Somethin very special girl

Doin' somethin special when gangsta girls fly  
When she step onto the party  
Catch all the guys eye  
Jump into the maserati  
Shes a real fly hottie  
She's the type of gurl that you want her body
