I don't like the way you're actin' now
I want to kill you but i don't know how
Should i use my words to hurt your pride deep inside
I don?'t think you're worth my clever mind

And it's hard to say:
(it's so insane)
I want you off my brain
By any means necessary

I don't like the way you speak to me
It comes out ugly and so incecere
So with this i'm tellin' you goodbye
Bye bye
I hope you've had a happy so called life

I don't like the way you're treatin' me
I want to kill you, but do it quietly
So i'll use my acoustic guitar - and go far
How ya like me now that i'm a star
